CMH HELI-SKIING

The World's Greatest Skiing

General Information

CMH Heli-Skiing is the world's most comprehensive and spectacular wilderness skiing experience available to Heli-Skiers and Snowboarders worldwide. Prices include:

- From 8,850 to 43,570 guaranteed vertical metres (43,000 to 142,860 vertical feet) of Heli-Skiing or Heli-Boarding.
- All meals, snacks, and non-alcoholic beverages.
- All lodge accommodations and use of lodge facilities such as saunas, whirlpools, etc.
- Fully escorted transportation to and from Calgary International Airport on all trips.
- Services of ACMG (Association of Canadian Mountain Guides), and/or IFMGA (International Federation of Mountain Guides Association) certified guides, and guides recognized by HeliCat Canada.
- Use of specially designed Heli-Skis. Poles are also provided. Snowboarders and ski tourers must bring their own equipment.
- Training in and use of avalanche transceivers.

Taxes are not included in any prices listed.

Please note that transportation for early flight departures is not included in the trip price, and will be charged at \$210 per person from drive-in areas (Gothics, Kootenay, Monashees, Revelstoke) and \$260 per person from fly-in areas (Adamants, Cariboos and Galena).

Guaranteed Vertical Metres

Your trip price also includes the guaranteed vertical metres listed below. Note: CMH calculates these metres based on actual skiing or snowboarding. We don't charge for "vertical lift" such as flights to and from the skiing. Additional vertical above the guarantee is charged at a rate of \$110 per 1,000 vertical metres (3,280 vertical feet). Heli-Skiers/Boarders are not charged for extra vertical unless they actually ski/board, which eliminates pressure on individuals to continue with their group.

	Vertical Metres	Vertical Feet
10-Day Trips	43,570	142,860
8-Day Trips	34,860	114,400
7-Day Trips	30,500	100,000
5-Day Trips	21,780	71,000
4-Day Trips	17,500	57,000
3-Day Trips	13,110	43,000
2-Day Trips	8,850	29,000

Seven-day Powder Introduction and Powder Masters weeks provide 30,500 metres (100,000 feet) of skiing, of which 21,500 metres (70,000 feet) are guaranteed. The 5-day trips provide 21,780 metres (71,000 feet) of which 15,250 metres (49,700 feet) are guaranteed.

Refunds

CMH offers one of the most generous refund policies in the Heli-Ski industry. In the event your vertical metres guarantee isn't reached, we will refund you \$115 per 1,000 unskied vertical metres (3,280 vertical feet). Refunds are given only in the event of mechanical breakdown or poor weather that prevents flying.

An additional credit that must be left on account—applicable to future incidental lodge charges or future Heli-Ski or Heli-Hiking trips—is provided if, for reasons of mechanical breakdown or poor weather, you have skied less than:

	Vertical Metres	Vertical Feet	Credit Refund
10-Day Trips	27,570	90,500	\$1,000
8-Day Trips	22,290	73,100	\$1,000
7-Day Trips	19,500	64,000	\$1,000
5-Day Trips	13,750	45,000	\$715
4-Day Trips	11,000	36,000	\$570
3-Day Trips	8,250	27,000	\$430
2-Day Trips	5,550	18,200	\$286

This credit is in addition to the refund, providing the refund is left on account. It can be used toward any trip within the next two years. After two years the credit will expire and is non-refundable. This credit carries no cash value and is non-transferable, and applies only to the person holding the booking.

HeliCat Canada, of which CMH is a member in very good standing, sets strict safety standards for operating a Helicopter and/or Snowcat ski operation. Only by skiing with a member of HeliCat Canada can you be assured of skiing with certified ski guides who follow a strict set of operating procedures.

Trip Feature Information

Trip codes shown under "WEEK #" include the year, area, and week number. For example: 2011-CA03 is in the year 2011, in the Cariboos, on the third week of the season.

Other codes following the week denote:

Small Group Program

Small groups means quick lifts and opportunities to ski challenging lines. These trips are based on the use of a Bell 407 Helicopter with a capacity of 15 guests (3 groups of 5 skiers) in Kootenay and a maximum of 30 skiers (3 groups of 5 skiers, 2 x 407 helicopters) in the Adamants. Should no Bell 407 be available, a Bell 212 may be used instead. Additional skiing above the guarantee is \$125/1,000 metres (3,280 feet) and refunds are \$130/1,000 metres (3,280 feet).

Family Weeks

These are designed for Heli-Skiing parents and their children. Parents are expected to ski with their kids, but when the kids get tired and return to the lodge, Mom and Dad can stay out to ski.

Helicopter Assisted Ski Touring

Ski Touring Trips for groups of up to 10 skiers are available throughout the winter season at many of our amazing lodges. Call us for availability.

Nostalgia Week

A CMH tradition! This trip is open to all levels of skiers. Join us for great stories, hearty laughs, a few inside jokes and of course, unparalleled spring skiing. Nostalgia Week is hosted by long-time guides and managers.

Pay As You Play

Indicates weeks where the Pay As You Play program is offered: your initial cost covers accommodation, meals and services. Beyond that, you only pay for what you choose to ski — as much or as little as you want, and as conditions allow for. Trips come with no guaranteed footage, and you will be charged to ski at a rate of \$150/1,000 metres (3,280 vertical feet).

Please note: Generally, there will be several opportunities to return to the lodge throughout the day when the helicopter needs fuel, but we cannot offer skiers the option to fly out after every run; otherwise we could not accommodate those skiers who wish to continue skiing throughout the day.

Powder Introduction Program

Indicates weeks where the Powder Introduction program is offered. The PI group will be one group of 10 skiers. The PI weeks are designed to introduce strong intermediate skiers to deep snow skiing and move them past the initial hurdles of skiing in wilderness terrain. This program is not for beginner skiers! You should be a newcomer to deep snow skiing and at least a strong intermediate skier. The PI program is also for those skiers that would like to ski with 2 guides.

Powder Masters Program

Indicates weeks where the Powder Masters program is offered. Powder Masters is offered on selected weeks at different areas throughout the season, with a maximum of 10 guests and 2 guides. The main goal of the PM program is to maximize the enjoyment of skiing.

Ski Fusion

This trip combines Heli-Skiing (4 days) and Ski Touring (3 days). The group will be limited to 10 guests and 2 guides. Your guides will assess the weather and ski conditions daily to decide which days will be touring and which days will be Heli-Skiing. Guaranteed vertical is 17,500 metres (57,000 feet).

Steep Skiing Weeks

This is designed to take you into the most challenging terrain available on any given day. As always, our goal is to keep you safe, but we will be looking for the lines that will give you the best chance to develop your skills along with expert coaching. The weeks are limited to 9 skiers/riders (which will be split into 2 groups), with 3 guides and a Bell 407 helicopter. Additional skiing above the guarantee is \$125/1,000 metres (3,280 vertical feet).

Booking Information

Here's how to book your Heli-Skiing or Heli-Boarding trip. If you have any questions or concerns, we invite you as always, to give us a call.

1. Choose a trip, plus two or three alternatives. Using our web site dates and prices page, or this price list, select an area and dates that you're interested in, as well as two or three alternatives. You may also wish to check our space availability pages on our web site to see which trips in the coming season still have space. *Note that certain areas (Bobbie Burns, Galena, Gothics, and Monashees) are for advanced skiers only.*

2. Contact us with your choices. If you're contacting us on behalf of a group of skiers, include the names and contact information along with deposit payment information for all skiers in your group.

3. Deposit is due at time of booking (American Express, MasterCard or VISA only).

Deposit amounts are:

\$1,000 CDN for trips of 7 days or longer

\$500 CDN for trips less than 7 days

This deposit is non-refundable, but is 100% transferable only as follows:

- A new booking for yourself within the same season or calendar year is booked.
- A replacement guest for the same booking (name change) is given – you are responsible to find this replacement guest.

Waitlist: If you are placed on our waitlist, we ask for the appropriate deposit for the trip, but *this is refunded if we are not able to confirm you on this ski week, or if you cancel your waitlist space.* Once you are confirmed on a trip, this deposit becomes non-refundable.

4. We will forward you a confirmation package. Included is a CMH Heli-Ski Waiver that must be completed, signed, and returned to our office within 30 days of booking. Please read the waiver and application form carefully to become familiar with all terms and conditions.

5. Final payment is due 10 weeks prior to your trip's start date. *Remember that all monies become non-refundable 10 weeks before the trip date. In the event of cancellation, funds are transferable to a new booking within the same ski season or calendar year, to a Heli-Hiking booking within the same calendar year, or to a replacement guest (name change) – found by yourself.*

CMH recommends purchasing cancellation insurance. If full payment is made by credit card, check with your credit card provider for alternate cancellation policies.

CMH can accept: (for all payments after initial deposit)

- cash
- travellers cheques
- credit cards: American Express, MasterCard, VISA
- bank drafts
- personal cheques – only personal cheques drawn on Canadian banks may be written in Canadian funds.

All other cheques or Eurocheques drawn on banks located in other countries, including the U.S., must be written in local currencies. Be sure to include your client identification number (which we will provide) on the back of Eurocheques.

- transfer funds – you may also instruct your bank to transfer Canadian funds directly to our bank, to the credit of Canadian Mountain Holidays Inc.:

General Information

Calendar Year - January 1 through to December 31, including the summer Heli-Hiking season.

Heli-Ski Season - December 1 through to May 15.

Heli-Hiking Season - June 15 through to September 30.

New Booking - A completely new reservation (area or date) which is not associated to any existing booking.

Please Note

Once a CMH space is booked and money is credited to that booking, the money becomes fully non-refundable. When a guest cancels that booking all the money becomes fully non-refundable.

Those funds are deemed to be cancellation fees at the time of the cancellation. Those cancellation fees can be converted into a credit solely for skiing or hiking on another trip in the calendar year. That means that the money can be applied to a less expensive trip and used towards the price of the trip only.

Any unused credit can be used towards another space in the calendar year or it will be taken as cancellation fees. The credit can also be moved to a more expensive trip in the calendar year, and any difference in price will be paid by the guest.

The credit cannot be used for extra metres, shop, bar, massage or future deposits, nor can it be returned as cash. The credit can only be used for the person with the booking, but that person can assign the credit, in writing, to another skier who is making a new booking with CMH. The credit cannot be assigned to any existing booking.
